BERKS COUNTY

Commissioners Office
Berks County Services Center
633 Court Street, 13th Floor
Reading, PA 19601

Dear Board of Commissioners,

Birdsboro Power, LLC is planning to construct a new 230kV electric transmission line that will originate at a new natural-gas generating plant which is to be located on the old Armorcast Steel Foundry site within the Borough of Birdsboro, Berks County, PA. The proposed line is approximately 4 miles long and terminates at a new 230kV ring bus substation in Robeson Township, Berks County, PA (see attached location map). The purpose of this notice is to inform you of our intent to submit a Joint Permit Application (JPA) and an Erosion and Sediment Pollution Control (ESPC) application to the Pennsylvania Department of Environmental Protection (PADEP) for permitting the project.

The project information is as follows:

1. Project Name: Birdsboro Power, LLC
2. Project Description: A full project description is enclosed as an attachment.
3. Applicant Name: Birdsboro Power, LLC
4. Applicant Contact: Kevin Rucker
2020 Good Hope Road
Enola, PA 17025
5. Site Location: See attached Project Location Map.
6. Municipality/County: Borough of Birdsboro, Exeter and Robeson Township, Berks County

Section 1905-A of the Commonwealth Administrative Code, as amended by Act 14, requires that each applicant for a DEP permit must give written notice the county in which the permitted activity is located. The written notices shall be received by the municipalities and county at least 30 days before the Department may issue or deny the permit.

Coordination is also required with the affected county regarding stormwater and floodplain management according to the Storm Water Management Act (32 P.S. § § 680.1-680.17), commonly referred to as Act 167, and the Flood Plain Management Act (32 P.S. § 679.101 et. seq.) If the affected county does not have an approved Act 167 Stormwater Management Plan or any other stormwater management ordinances that will apply to this project, consistency with the PADEP requirements for stormwater management will be followed. A stormwater analysis will be performed for the project site and a Post Construction Stormwater Management Plan will be completed. The project will be consistent with 23 CFR 650 (q). In the event that an applicant is unable to obtain a consistency letter from the local municipality/county, the DEP will determine whether the proposed project

is consistent with the Act or other National Flood Insurance Minimum Standards based upon all other Chapter 105 and Chapter 106 requirements.

Acts 67, 68 and 127, which amended the Municipalities Planning Code, direct state agencies to consider comprehensive plans and zoning ordinances when reviewing applications for permitting of facilities and infrastructure, and specify that state agencies may rely upon comprehensive plans and zoning ordinances under certain conditions as described in Sections 619.2 and 1105 of the Municipalities Planning Code. The Pennsylvania Department of Environmental Protection's Policy for Consideration of Local Comprehensive Plans and Zoning Ordinances in DEP Review of Permits for Facilities and Infrastructure (DEP's Land Use Policy) provides direction and guidance to DEP staff, permit applicants, and local and county governments for the implementation of Acts 67, 68 and 127 of 2000. This policy can be found at www.depweb.state.pa.us; keyword: Land Use.

In accordance with DEP's Land Use Policy, enclosed please find a County Land Use Letter. The letter is to be submitted with our permit application to DEP. Please complete the attached letter and return within 30 days to:

Dawood Engineering, Inc.
Attn: Kevin Rucker
2020 Good Hope Road
Enola, PA 17025

Additionally, please send the Stormwater and Floodplain Management Consistency Letter to the address above, if applicable.

Please do not send these forms to DEP, as we must include the County Land Use Letter with our permit application. If we do not receive a response from you **within 30 days**, we shall proceed to submit our permit application to DEP without the County Land Use Letter or the Stormwater and Floodplain Management Consistency Letter. If the County Land Use Letter and the Stormwater and Floodplain Management Consistency Letter are not submitted with our permit application, and we provide proof to DEP that we attempted to obtain it, DEP will assume there are no substantive land use and/or stormwater/floodplain management conflicts and proceed with the normal application review process.

If you have any questions or require further information regarding the proposed activity, please feel free to contact me at (717) 732-8576 or via email at krucker@dawood.cc.
