I got your phone message. I haven't heard back from Brehm-Lebo Engineering yet concerning Tetrattech's request.

Smiles,
KAREN

Subject: Sunoco Pennsylvania Pipeline Project - Floodplain/Stormwater Management Program Consistency Request

Dear Sir/Madam:

I am emailing to follow-up a letter that was sent to you last week (dated November 10, 2015) requesting information regarding the Sunoco Pennsylvania Pipeline Project's consistency with your municipality's local floodplain/stormwater regulations. We did not receive a signature confirmation from Fed Ex and would like to verify that it has been delivered. If you can please confirm receipt by responding to this email, that would be much appreciated. Thank you!

Regards,
Ailene

Reference: Sunoco Pipeline L.P., Pennsylvania Pipeline Project

Dear Ms. Batoon:

Please be advised that the Township has a local Storm Water Management Plan effective in the project area. After studying the proposed activity, it was found that the above referenced project is consistent with the local Storm Water Management Plan.

In regard to the Floodplain Management Plan, the proposed activity for the above referenced project has been studied. It is consistent with the FEMA Floodplain Management Program effective in the Township.
