---

Dear Ms. Grove,

Will you please confirm that you received the email on February 25, 2016 via our RMFTP server that provided you with the updated Upper Frankford mapping for the Pennsylvania Pipeline Project? You had requested we add street name and parcels to the maps that were provided in November 2015.

Thank you,

Rachel

Good afternoon Ms. Grove,

Please let me know what would help facilitate your review of the consistency request. Would it be helpful to add street names to the floodplain maps? Are you also hoping for parcel data to be added for the residences?

Please let me know what additional information you need to complete your review.

Thank you,

Rachel

**Subject:** Upper Frankford Township SPLP Floodplain/Stormwater Program

Good afternoon,

Sorry for the delay on the SPLP Floodplain/Stormwater Mangement Program Consistency Request... At this time Upper Frankford Township WILL NOT sign off on it due to incomplete information on the maps (names of roads/residents etc). Thank you
