RE: Adelpia Gateway Pipeline Project (ESG010019001)
Major Modification/ Amendment Notification- Act 14, 97 P.S. § 510-5
JMT No: 18-00672-006

Dear Mr. Rocco Gaspari, Jr.:

This municipal notice, under the requirements of Act 14, 97 P.S. § 510-5, is to inform you that we are pursuing a major amendment for the ESCGP-3 issued by DEP to the Adelpia Gateway Pipeline Project (ESG010019001). The following is the relevant project information, note that the bolded sites are the only sites within your jurisdiction that will be included as part of the amendment.

Applicant Contact: Mark Valori, Adelpia Gateway, LLC

Project Location: Transco Meter Station: Lower Chichester Township, PA, southwest of the intersection of Ridge Rd and Blueball Ave; Marcus Hook Compressor Station: Marcus Hook, PA, south of the intersection of Ridge Rd and National Ave

Project Description: The Adelpia Gateway Pipeline is an 84-mile pipeline that runs from Martins Creek to Marcus Hook. Facility upgrades will occur to thirteen (13) sites along the pipeline: Quakertown Compressor Station, East Perkiomen Blowdown, Skippack Pike Meter Station, Perkiomen Creek Blowdown, Schuylkill River Blowdown, Cromby Blowdown, French Creek Blowdown, Mainline Valve 2, Paoli Pike Blowdown, Chester Creek Blowdown, Mainline Valve 1, **Transco Meter Station**, and Marcus Hook Compressor Station.

Revisions included in Major Amendment: This is a supplement to the Act 14 notification sent in November 2020. Transco Meter Station is located in Lower Chichester Township: Transco Meter Station. Transco Meter Station will undergo facility upgrades, including proposed areas of pavement and gravel on existing vegetation. There is a post construction management (PCSM) plan to mitigate for the increase in impervious area. This plan includes subsurface StormTank storage and a rock-lined diversion channel. The total area of disturbance is 41,322 square feet.

This project was previously approved by PADEP in August 2020. An amendment is being submitted due to a increase of LOD and revisions to erosion and sediment controls.

Enclosed is a complete copy of the Notice of Intent (NOI) completed by the applicant for this project as well as copies of the erosion and sediment control plan and post construction stormwater management plans.

Sincerely,

JOHNSON, MIRMIRAN & THOMPSON, INC.
On Behalf of Applicant

Shiny M. Mathew, P.E.
Senior Associate
Water Resources

Enclosures [3]:

1. Notice of Intent (NOI)
2. Erosion and Sediment Control (E&SC) Plan
3. Post Construction Stormwater Management (PCSM) Plan
