RE: ER No. 2017-2210-042-I and J; FERC: Revisions to Adelpia Gateway Project: Tilghman Lateral Modifications; French Creek Blowdown Assembly Valve and Transco Meter Station Modifications; Delaware County

Dear Ms. Holmes,

Thank you for submitting information concerning the above referenced project. The Pennsylvania State Historic Preservation Office (PA SHPO) reviews projects in accordance with state and federal laws. Section 106 of the National Historic Preservation Act of 1966, and the implementing regulations (36 CFR Part 800) of the Advisory Council on Historic Preservation, is the primary federal legislation. The Environmental Rights amendment, Article 1, Section 27 of the Pennsylvania Constitution and the Pennsylvania History Code, 37 Pa. Cons. Stat. Section 500 et seq. (1988) is the primary state legislation. These laws include consideration of the project's potential effects on both historic and archaeological resources.

Based on the information received and available within our files, in our opinion, the proposed project and associated modifications will have No Effect on historic properties, including archaeological resources.

Therefore, your responsibility for consultation for this project is complete unless project plans should change. Should you encounter archaeological resources during construction and/or be made aware of historic property concerns, please notify Emma Diehl at emdiehl@pa.gov or (717) 787-9121.

Sincerely,

A handwritten signature in black ink, appearing to read 'Douglas C. McLearn', is positioned above the typed name.

Douglas C. McLearn, Chief
Division of Environmental Review
