RE: Adelpia Gateway Project LLC- Tilghman Lateral- Phase 2B
Erosion and Sediment Control General Permit (ESCGP-3)
JMT Job No. 18-00672-06A

Dear Mr. Smith:

Johnson, Mirmiran & Thompson (JMT) is pleased to submit the Erosion and Sediment Control General Permit for the Tilghman Lateral- Phase 2B. This phase encompasses a segment that runs primarily through Ridge Rd (SR 3006), West 2nd Street (SR291), Flower Street and Delaware Avenue. This phase spans through three municipalities: Lower Chichester Township, Borough of Trainer and City of Chester. The limits of work are from the Transco Meter Station (included in Phase 1 and 2A) to the Tilghman Meter Station. The scope of work includes installation of a 16" pipeline using open cut trenching and horizontal directional drill (HDD). Please note that Adelpia Gateway Project LLC- Phase 1 permit application and supporting documentation included Phase 2B in DRAFT format and it was included in the project area and total project disturbance.

Please note, due to the COVID-19 pandemic and the statewide restrictions on non-life sustaining businesses this submission is being issued electronically. For your review, we have uploaded the following documents:

- Notice of Intent for ESCGP-3 for Adelpia Gateway Project- Tilghman Lateral Phase 2B, signed and notarized, with completed Checklist
- Adelpia Gateway Project, Tilghman Lateral- Phase 2B, E&SC and Site Restoration Plans dated 6/12/20 (37 sheets)
- Erosion and Sediment Control Report, Adelpia Gateway Project- Tilghman Lateral Phase 2B, dated June 2020
- Post Construction Stormwater Report, Adelpia Gateway Project- Tilghman Lateral Phase 2B, dated June 2020
- Act 14 Notification Letters with Proof of Receipt for Delaware County, Lower Chichester Township, Borough of Trainer and City of Chester, dated 6/11/20
 - Due to the COVID-19 pandemic, the Act 14 Notifications were submitted via email to Delaware County, Lower Chichester Township and Borough of Trainer. Email receipts were included in this submission package. Hard copies of the Act 14 notifications will also be mailed to each of the four municipalities. Proof of receipts will be provided thereafter.
- Pennsylvania Natural Diversity Inventory Receipt dated 4/4/20 and associated clearance letters
- HDD Design and Constructability Review Report dated 8/26/19 prepared by Laney
 - Included to address Condition 4B for the Water Quality Certification
- Inadvertent Release Contingency Plan dated 5/2020 prepared by NV5
 - Included to address Condition 4B for the Water Quality Certification
- PHMC Response Letter to Phase 1 Archaeological Survey for Tilghman Lateral dated July, 2019.
- Preparedness, Prevention, and Contingency Plan dated May 2020 prepared by NV5
 - Included to address Condition 4B for the Water Quality Certification
- Supplemental Wetland and Waterbody Identification and Delineation Report for Adelpia Gateway Project – Tilghman Lateral, dated May 2020 prepared by NV5

If you have any questions or need further information, please do not hesitate to contact me at 610-496-4780 or smathew@jmt.com.

Very truly yours,

JOHNSON, MIRMIRAN & THOMPSON, INC.
