Neville Township

Pittsburgh, Pennsylvania 15225

Dear Ms. Creese:

Subject: Notice of Intent to Remediate  
Shenango Coke Plant  
200 Neville Rd  
CEC Project 160-554

The Pennsylvania Land Recycling and Environmental Remediation Standards Act (Act 2) requires that a Notice of Intent to Remediate (NIR) be provided to the municipality in which a site being remediated under the Act is located. Act 2 also provides that, when a site is being remediated to a Site-Specific Standard, the municipality is afforded a 30-day comment period. In accordance with these provisions of the Act, and on behalf of Shenango, LLC, Civil & Environmental Consultants, Inc. (CEC) is formally notifying you of their intent to remediate the subject site. A copy of the NIR, which has been sent to the Department of Environmental Protection (DEP), is enclosed. This notice will be published in the Pennsylvania Bulletin and a summary of the notice will appear in the Pittsburgh Post-Gazette.

Publication of this notice in a local newspaper initiates the 30-day public and municipal comment period. If the municipality wishes to become involved in the development of the remediation and reuse plans for this project, please send your comments to Robert Eaton at Civil & Environmental Consultants, Inc, 333 Baldwin Rd, Pittsburgh, PA 15205 with copies submitted to the Department of Environmental Protection, Southwest Regional Office at 400 Waterfront Drive, Pittsburgh, Pennsylvania 15222.

Very truly yours,

CIVIL & ENVIRONMENTAL CONSULTANTS, INC.
