RECORDED FORM HW-E (DEED BOOK 2098 PAGE NO. 198)

Frank Schiefer
Recorder of Deeds
Westmoreland County, Pennsylvania

COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
BUREAU OF WASTE MANAGEMENT

Frank Schiefer • Recorder of Deeds

Date Prepared

March 2021

I.D. Number

FORM HW-E
CONTRACTURAL CONSENT OF LANDOWNER

Hazardous Facility/Activity

General References: 40 CFR 270.30(i), as incorporated by reference at 25 Pa. Code 270a.1.

Instructions: This form should be completed by **each** owner owning a parcel of land within the permit area. The parcel relative to **this** form and the outline of the entire proposed permit area should be identified on the map, to be attached.

(I) (We), the undersigned, hereinafter sometimes referred to as "landowner", being the owner(s) of 130.80 acres of land located in South Huntingdon Township
(Name and Type of Municipality)

Westmoreland County, Pennsylvania, as described in the deed(s) recorded in the Recorder of Deeds
(Name of County)

Office at Deed Book(s) and page(s) DB: 2,098 and Pg: 198, and shown by crosshatched lines on the map attached hereto
(Deed Book and Page)

which is signed in the original by the landowner upon which MAX Environmental Technologies, Inc. proposed to
(Waste Management Facility Operator)

to engage in hazardous waste storage, treatment or disposal activities for which application for permit will be made to the Department of Environmental Protection (hereinafter "the Department") under the Pennsylvania Solid Waste Management Act, Act of July 7, 1980 (P.L. 380, 35 P.S. §601.8.101 et seq., hereinafter "the Act"), and of which application this consent will be made a part, DO HEREBY ACKNOWLEDGE THAT THE WASTE MANAGEMENT FACILITY OPERATOR AND HIS/HER PERSONNEL HAVE THE RIGHT TO ENTER UPON AND USE THE LAND FOR THE PURPOSES OF CONDUCTING SOLID WASTE MANAGEMENT ACTIVITIES. The right the landowner grants herein is not the subject
(is/is not)

of pending civil litigation. Furthermore, (1) (We), the undersigned, to hereby irrevocably grant to the solid waste management facility operator and to the Commonwealth of Pennsylvania or any of its authorized agents, or employees, the right to enter upon the aforesaid land before the initiation of the solid waste management activities or operations, for the duration of the solid waste management activities or operations, and for a period of either 20 years after final closure of the facility (for hazardous waste management activities), for the purposes of inspection, monitoring and maintenance and for the purpose of conducting such pollution abatement or pollution prevention activities required by the Act, or deemed necessary by the Department to carry out any purpose of the act, the regulations promulgated thereunder and the terms of the permit as the Department deems necessary. (1) (We) do hereby grant in addition to the Commonwealth, for the aforesaid period of time, a right of entry across any adjoining or contiguous lands owned by (us) (me) in order to have access to the land described herein. It is specifically agreed and understood that this contractual consent gives the Commonwealth the right to enter, inspect the premises, and abate or prevent pollution as a matter within the police power but does not obligate the Commonwealth to do so, does not constitute any ownership interest by the Commonwealth in the aforesaid land, and does not affect or limit any rights available to the Commonwealth under applicable law.

THE LANDOWNER Agrees TO ALLOW THE ABOVE-NAMED SOLID WASTE MANAGEMENT
(Agrees or Does No Agree)
FACILITY OPERATOR TO TRANSFER OR ASSIGN, BY WRITTEN AGREEMENT, THIS CONTRACTUAL CONSENT TO ANOTHER SOLID WASTE MANAGEMENT FACILITY OPERATOR.

This Consent shall terminate and become null and void if the solid waste management facility operator does not apply to the Department of Environmental Protection for a permit to conduct solid waste management activities on the

aforesaid land within 10 year(s) from the date of this Consent. Nothing in this Consent shall preclude or
 (Number of years)
 limit the landowner's authority to terminate the right or privilege of the solid waste management facility operator to conduct
 waste management activities on the aforesaid land.

This Contractual Consent shall be deemed to be a recordable document. Prior to the initiation of solid waste
 management facility operations under the permit, this Consent shall be recorded by _____

MAX Environmental Technologies, Inc. and entered into the deed book (d.b.v.) index at the office
 (Landowner or Waste Management Facility Operator)

of the recorder of deeds in the county(ies) in which the solid waste management facility is to be located.

In witness whereof and intending to legally bind (myself) (ourselves), (my) (our) heirs, successors and assigns, (I)
 (we) have hereunto set (my) (our) hand(s) and seal this 30th day of MARCH, ~~18~~ 2021.

General References: 40 CFR 270.30(i), as incorporated by reference at 25 Pa. Code 270a.1.

Instructions: This form should be completed by **each** owner owning a parcel of land within the permit area. The parcel relative to **this** form and the outline of the entire proposed permit area should be identified on the map, to be attached.

(I) (We), the undersigned, hereinafter sometimes referred to as "landowner", being the owner(s) of 1.40 acres of land located in South Huntingdon Township,
(Name and Type of Municipality)

Westmoreland County, Pennsylvania, as described in the deed(s) recorded in the Recorder of Deeds
(Name of County)

Office at Deed Book(s) and page(s) DB: 2,571 and Pg: 281, and shown by crosshatched lines on the map attached hereto
(Deed Book and Page)

which is signed in the original by the landowner upon which MAX Environmental Technologies, Inc. proposed to
(Waste Management Facility Operator)

to engage in hazardous waste storage, treatment or disposal activities for which application for permit will be made to the Department of Environmental Protection (hereinafter "the Department") under the Pennsylvania Solid Waste Management Act, Act of July 7, 1980 (P.L. 380, 35 P.S. §601 8.101 et seq., hereinafter "the Act"), and of which application this consent will be made a part, DO HEREBY ACKNOWLEDGE THAT THE WASTE MANAGEMENT FACILITY OPERATOR AND HIS/HER PERSONNEL HAVE THE RIGHT TO ENTER UPON AND USE THE LAND FOR THE PURPOSES OF CONDUCTING SOLID WASTE MANAGEMENT ACTIVITIES. The right the landowner grants herein is not the subject
(is/is not)

of pending civil litigation. Furthermore, (1) (We), the undersigned, to hereby irrevocably grant to the solid waste management facility operator and to the Commonwealth of Pennsylvania or any of its authorized agents, or employees, the right to enter upon the aforesaid land before the initiation of the solid waste management activities or operations, for the duration of the solid waste management activities or operations, and for a period of either 20 years after final closure of the facility (for hazardous waste management activities), for the purposes of inspection, monitoring and maintenance and for the purpose of conducting such pollution abatement or pollution prevention activities required by the Act, or deemed necessary by the Department to carry out any purpose of the act, the regulations promulgated thereunder and the terms of the permit as the Department deems necessary. (1) (We) do hereby grant in addition to the Commonwealth, for the aforesaid period of time, a right of entry across any adjoining or contiguous lands owned by (us) (me) in order to have access to the land described herein. It is specifically agreed and understood that this contractual consent gives the Commonwealth the right to enter, inspect the premises, and abate or prevent pollution as a matter within the police power but does not obligate the Commonwealth to do so, does not constitute any ownership interest by the Commonwealth in the aforesaid land, and does not affect or limit any rights available to the Commonwealth under applicable law.

THE LANDOWNER Agrees TO ALLOW THE ABOVE-NAMED SOLID WASTE MANAGEMENT
(Agrees or Does No Agree)

FACILITY OPERATOR TO TRANSFER OR ASSIGN, BY WRITTEN AGREEMENT, THIS CONTRACTUAL CONSENT TO ANOTHER SOLID WASTE MANAGEMENT FACILITY OPERATOR.

This Consent shall terminate and become null and void if the solid waste management facility operator does not apply to the Department of Environmental Protection for a permit to conduct solid waste management activities on the

aforesaid land within 10 year(s) from the date of this Consent. Nothing in this Consent shall preclude or
 (Number of years)
 limit the landowner's authority to terminate the right or privilege of the solid waste management facility operator to conduct waste management activities on the aforesaid land.

This Contractual Consent shall be deemed to be a recordable document. Prior to the initiation of solid waste management facility operations under the permit, this Consent shall be recorded by _____

MAX Environmental Technologies, Inc. and entered into the deed book (d.b.v.) index at the office
 (Landowner or Waste Management Facility Operator)

of the recorder of deeds in the county(ies) in which the solid waste management facility is to be located.

In witness whereof and intending to legally bind (myself) (ourselves), (my) (our) heirs, successors and assigns, (I) (we) have hereunto set (my) (our) hand(s) and seal this 30th day of MARCH, 19 2021.
