HAZARDOUS SITES CLEANUP ACT OF OCTOBER 18, 1988
NOTICE OF INTERIM RESPONSE
KEYSTONE METALS REDUCTION SITE
CHESWICK BOROUGH, ALLEGHENY COUNTY
SOUTHWEST REGION

The Pennsylvania Department of Environmental Protection (Department), under the authority of the Hazardous Sites Cleanup Act, 35 P.S. Section 6020.101 et. Seq. (HSCA), has proposed an interim response at the Keystone Metals Reduction Site (Site). The Site is located in the 1000 block of Freeport Road in the Borough of Cheswick, Allegheny County, Pennsylvania on property that is now owned by North American Fencing Corporation. The Keystone Metal Reduction Company (KIMR) purchased the Site in 1921 and operated a uranium processing facility on the property for a few years. Records indicate that the facility ceased operations in the 1920s.
Beginning in 2010, the Department conducted investigations at the Site and determined that Radium-226 is the primary Contaminant of Concern on the property. Radium-226 is a hazardous substance as defined by the Hazardous Sites Cleanup Act and is a carcinogen.
The Department considered the following four alternatives to address the threats at the site: 1) no action; 2) cap the Site with 4.5 to 6 feet of clean fill and restrict the Site to industrial or commercial use; 3) remove contaminated soil to the groundwater table and bring the area back to grade using clean fill; 4) excavate and dispose of all contaminated soil. Alternative number 2 was chosen because it complies with applicable or relevant and appropriate requirements and is cost effective.
This notice is being provided under Section 506(b) of the Hazardous Sites Cleanup Act. The Administrative Record which contains information forming the basis and documenting the selection of this response action is available for public review and comment at the Department's Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222 between 9:00 a.m. and 4:00 p.m.
The Administrative Record will be open for comment until January 30, 2017. Persons may submit written comments into the record, during this time only, by sending them or delivering them to Dawna Saunders, Project Manager, Department of Environmental Protection, 400 Waterfront Drive, Pittsburgh, PA 15222.
In addition, persons may present oral comments for inclusion in the Administrative Record at a public hearing scheduled for December 1, 2016 at 5:30 p.m. at the Cheswick Municipal Building Council Chambers located at 220 South Atlantic Ave in Cheswick PA 15024. Persons wishing to present comments must register with Brian Schimmel at the Department's Southwest Regional Office, in writing, at 400 Waterfront Drive, Pittsburgh, PA 15222 or by telephone at (412) 442-4199 before noon on December 1, 2016.
Persons with a disability who wish to attend the hearing and require an auxiliary aide, service, or other accommodations to participate in the proceeding should contact Brian Schimmel at (412) 442-4199 or through the Pennsylvania AT&T Relay Service at (800) 654-5954 (TDD) to discuss how the Department may accommodate their needs.
