RE: Westinghouse Electric Corporation
Beave Plant
Vanport Township
Beaver County

Dear Ms. LeGoullon:

I am in receipt of your letter faxed to the Department on September 28, 1988.

Per your request, the Department is willing to grant an extension of an additional three weeks. Your response to the Department's letter of September 17, 1988, will be expected by October 25, 1988.

Since our conversation on September 27, 1988, I am revising my position concerning the quarterly reports. Please enclose copies of quarterly reports with your submittal. However, do not submit copies of manifests.

Has the attorney for Westinghouse Electric Corporation released the material requested by Michael Watson in his letter of August 18, 1988, and, as was discussed at our meeting of September 8, 1988?

If you have any questions, please do not hesitate to contact me 645-7100.

Sincerely,

JRS
