Re: Corrective Action Plan Approval
Westmoreland Sanitary Landfill
Permit No. 100277
Rostraver Township, Westmoreland County

Dear Mr. Walton:

The PA Department of Environmental Protection (DEP) has reviewed the Corrective Action Plan (CAP) for the Westmoreland Sanitary Landfill which was required by Paragraph 3.e of the October 7, 2020 Consent Order and Agreement (COA.) The CAP was prepared by Civil Design Solutions and submitted electronically under cover letter dated November 6, 2020.

The DEP approves of the CAP and provides notice that all provisions of the CAP shall be implemented immediately, including the Daily Activity Reports and Weekly Inspection Reports outlined in the CAP. These daily and weekly reports will provide notice to the landfill manager of any areas needing maintenance and/or immediate attention to prevent non-compliance with the landfill permit and municipal waste regulations.

If you have any questions, please contact me at **412.442.4130**.

Sincerely,

Sharon Svitek
