Kareen-

In response to your email request below and in reference to the drawings entitled "ET - Braddock Well Pad Soil Erosion and Sediment Control Plan" and the corresponding plan sheets entitled "ET - Braddock Well Pad Site Restoration / Post Construction Stormwater Management Plan", all dated 10/22/2018, and associated 8.5"x11" figures bearing the same statement, ARM Group Inc. hereby waives the below statement on the referenced drawing sets:

Waived Statement

"This drawing, its contents, and each component of this drawing are the property of and proprietary to ARM Group Inc. and shall not be reproduced or used in any manner except for the purpose identified on the Title Block, and only by or on behalf of this client for the identified project unless otherwise authorized by the express, written consent of ARM Group, Inc."

Please contact me if you have any further questions or need additional clarification.

Tessa M. Antolick, P.E.
Senior Engineer

Subject: Merrion Application

Tessa,

The Department is in receipt of applications regarding the above referenced site. The following statement was provided on numerous drawings: "This drawing, its contents, and each component of this drawing are the property of and proprietary to ARM Group Inc. and shall not be reproduced or used in any manner except for the purpose identified on the Title Block, and only by or on behalf of this client for the identified project unless otherwise authorized by the express, written consent of ARM Group, Inc."

As this application is a public record, please support this assertion of proprietary information or, alternatively, waive the assertion of proprietary information. Please submit either the assertion or the waiver in writing to the Department.

There is a pending request to review this application, so your timely response to this email is appreciated. If you will not be able to respond to this today, please let me know so that the request to review this application can be rescheduled.

Thank you.
