RE: ER# 2015-1839-042-D, COE: Falcon Ethane Pipeline Project, Washington, Allegheny and Beaver Counties

Dear Mr. Kenneally,

Thank you for submitting information concerning the above referenced project. The State Historic Preservation Office reviews projects in accordance with state and federal laws. Section 106 of the National Historic Preservation Act of 1966, and the implementing regulations (36 CFR Part 800) of the Advisory Council on Historic Preservation, is the primary federal legislation. The Environmental Rights amendment, Article 1, Section 27 of the Pennsylvania Constitution, and the Pennsylvania History Code, 37 Pa. Cons. Stat. Section 500 et seq. (1988) is the primary state legislation.

Above Ground Resources

Thank you for providing pdfs of the Abbreviated Survey Forms prepared for the project as well as the GIS shape files for the resource locations and/or boundaries. Based on the information provided, we offer the following comments on the Historic Architectural Reconnaissance Report and the additional information.

Identification of Historic Properties

We are in agreement that the following properties lack sufficient integrity and/or significance and are considered not eligible for listing in the National Register:

Resource Name	Address	Key No.
Cowden Farm	193 Hornhead Road	205314
Cornali Farm	127 Hornhead Road	205315

Cain Property	240 Bird Hill Road	205344
Clancy House	236 Moores Road	205345
Langton House	4041 Patterson Drive	205347

We are in agreement that the portion of the **Chartiers Railway (Key No. 155445)** within the APE lacks sufficient integrity to be considered contributing to the National Register eligible line. We are also in agreement that the **John Burns Farmstead (Key No. 104719)** is no longer eligible for listing in the National Register as the associated buildings have been demolished. The **Bocktown Road Bridge over Raccoon Creek (Key No. 100557)** and **Moffett Mill Road (Key No. 130261)**, previously determined not eligible, are no longer extant.

The following resources are **not eligible** for listing in the National Register under Criterion A for agriculture but may be eligible for listing under Criterion C in the area of architecture. However, the project does not have the potential to affect the dwellings or the potential architectural significance of the properties.

Hoover House	103 Kavic Lane	205329
Reddinger House	3802 Green Garden Road	205334

The following resource may be eligible for listing in the National Register under Criterion A and C, however the project does not have the potential to affect associated landscape features or buildings or the potential agricultural significance of the property, so no further eligibility assessment is required:

Miller Farm	593 Bocktown Cork Road	205326
-------------	------------------------	--------

The following resources may be eligible for listing in the National Register under Criterion A in the area of agriculture, however the project does not have the potential to affect associated landscape features or buildings or the potential agricultural significance of the properties, so no further eligibility assessment is required:

George Cowden Farm	1 Hornhead Road	802086
Pershina Farmstead	1127 Beagle Club Road	205318

The following resources may be eligible for listing in the National Register under Criterion C in the area of architecture, however the project does not have the potential to affect the associated buildings of the potential architectural significance of the property, so no further eligibility assessment is required:

Solomon House

3386 Burgettstown Road

205322

Based on the information provided, we are in agreement that the project will have no effect on the following previously identified resources:

Westland Mine (Key No. 100056)
Montour Railroad (Key No. 097622)
Pittsburgh & West Virginia Railway (Key No. 125887)
Montour Mine #1 (Key No. 100053)
Shaw Mine (Key No. 100010)
Pittsburgh & Steubenville Railroad (Key No. 100105)

We are also in agreement that the project will have no effect on the following newly identified 50-year old resources. As the resources were not going to be affected by the project, they were not documented on Abbreviated HRSF.

Imperial Host Company, 8281 Steubenville Pike, Oakdale
Reese House, 8284 Steubenville Pike, McDonald
Cerciello Property, 165 Point Park Road, Imperial
Wilson House, 175 Moody Road, Imperial
Jones House, 205 Davis Road, Aliquippa
Adams House, 191 Clearview Road, Aliquippa
Hookstown Fair Ground, 1198 Main Street, Hookstown
Narry House, 1160 Main Street, Hookstown
Corner Scoop, 124 Shippingport Road, Aliquippa
Mann & Kronk House, 912 Frankfort Road, Aliquippa
Wilkins House, 4034 Patterson Road

We concur the scope and level of effort utilized to identify historic properties for this project is appropriate pursuant to 36CFR 800.4. Our determination of eligibility is based upon the information provided and available in our files for review. If National Register listing for this property is sought in the future, additional documentation of the property's significance and integrity may be required to both verify this determination of eligibility and satisfy the requirements of the National Park Service (36 CFR Part 60). Thus, the outcome of the National Register listing process cannot be assured by this determination of eligibility.

Assessment of Effects

Based on the information provided, we are in agreement with the finding of No Historic Properties Affected.

If you need further information concerning this review, please contact Barbara Frederick at (717) 772-0921.

Sincerely,

Douglas C. McLearn, Chief
Division of Archaeology and Protection
