

ATTENTION ALL PUBLIC WATER SUPPLIERS! NEW FEDERAL REQUIREMENTS FAST APPROACHING!

Revised Total Coliform Rule for Transient Public Water Supplies

Why attend this training? The Revised Total Coliform Rule (rTCR) takes effect April 1, 2016. **AS A PUBLIC WATER SUPPLIER, YOU ARE REQUIRED TO SUBMIT A SAMPLE SITING PLAN BEFORE APRIL 1, 2016.** The training will consist of a hour long training session from 9:30am to 10:30am (optional) and an open-house style workshop until 2pm to provide Department help completing a sample siting plan. Come in anytime and sit down with Department staff – walk out with a completed plan. In order to complete a plan please bring any relevant information available (plumbing diagrams, public water supply ID, current sampling locations, ect) **All courses are FREE.**
