[1] More information regarding consumptive water use and consumptive water use coefficients may be found in these recent publications from the United States Geologic Survey (USGS) :

Consumptive Water–Use Coefficients for the Great Lakes Basin and Climatically Similar Areas (Scientific Investigations Report 2007-5197) - <http://pubs.usgs.gov/sir/2007/5197/>
 Consumptive Water Use in the Great Lakes Basin (Fact Sheet 2008-3032) - <http://pubs.usgs.gov/fs/2008/3032/>

[2] Consecutive Community Water Systems have been assigned a consumptive use of zero(0); All water for these systems is obtained from other Community Water Systems.
