alfred benesch & company Earns Award For Helping To Improve Water Quality In Communities Throughout Pennsylvania

alfred benesch & company was recently presented a Diamond Award Certificate for Engineering Excellence by the American Council of Engineering Companies of Pennsylvania (ACEC/PA). The Annual ACEC/PA Diamond Awards are designed to recognize Pennsylvania Engineering Firms for their outstanding contributions to enhance the social and economic welfare of the Commonwealth of Pennsylvania.

benesch was recognized for their work serving as the Statewide Consultant to the Pennsylvania Department of Environmental Protection (DEP) Small Drinking Water Systems Engineering Services Program (ESP). The program provides engineering services to qualified drinking water systems serving 3,300 or fewer persons to improve their drinking water quality and comply with current regulations. benesch has served as the ESP Statewide Consultant since 1999.

Accepting the award at the ACEC/PA Annual Awards Banquet was benesch Project Manager James J. Rhoades, Jr., P.E. and PADEP Program Manager Walter Harner. "This award program includes the top firms in the state and it was an honor to be recognized by our peers." Rhoades stated after receiving the award.
