Prior Permittee: Millcreek Township Sewer Authority  
Millcreek Township, Erie County

Dear Mr. Wright:

In accordance with your request received on November 30, 2018, and January 24, 2019, the Department of Environmental Protection (DEP) has transferred a total of eighty-three (83) WQM Permits from Millcreek Township Sewer Authority to Millcreek Township. A list of the WQM Permits being transferred and their original issuance date is attached. This list will serve as documentation of transfer rather than creating an individual permit for each project. All conditions, supporting documentation and addendums of those permits are also made part of these transfers.

Any person aggrieved by this action may appeal the action to the Environmental Hearing Board (Board), pursuant to Section 4 of the Environmental Hearing Board Act, 35 P.S. § 7514, and the Administrative Agency Law, 2 Pa.C.S. Chapter 5A. The Board's address is:

Environmental Hearing Board  
Rachel Carson State Office Building, Second Floor  
400 Market Street  
P.O. Box 8457

TDD users may contact the Environmental Hearing Board through the Pennsylvania Relay Service, 800-654-5984.

Appeals must be filed with the Board within 30 days of receipt of notice of this action unless the appropriate statute provides a different time. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

A Notice of Appeal form and the Board's rules of practice and procedure may be obtained online at <http://ehb.courtapps.com> or by contacting the Secretary to the Board at 717-787-3483.
