Internal Review and Recommendations

A draft permit was prepared on September 10, 2018 and published in the *Pennsylvania Bulletin* on September 22, 2018 for public comments. No comments were received from the public or permittee.

On October 21, 2019, DEP received a permit transfer application. The application indicates that a change of ownership occurred on August 5, 2019 from Valley View Manor MHP (Mr. Thomas Grosh & Mrs. Donna Grosh) to T&J Valley View MHP, LLC (Mr. Timothy Hill & Mr. Joseph Elhajj).

Given the date of the last draft permit and the fact that there has been a change in ownership, a redraft is recommended. All permit requirements will remain the same as those proposed in the September 10, 2018 draft permit. The latest permit boilerplate will be included in this redraft. A notice of this redraft will once again be published in the *Pennsylvania Bulletin* for public comments for 30 days.

DEP's database indicates that there is no open violation associated with a new owner, previous owner and/or facility.

eDMR permittee registration form for permit transfers has been submitted to DEP Bureau of Clean Water Program.
