Authorization ID No. 1246275
Paradise Township, Lancaster County

Dear Ms. Hersh:

The Department of Environmental Protection (DEP) has prepared the enclosed draft NPDES permit for your review and comment.

Also enclosed is a copy of a public notice that, in accordance with DEP regulations at 25 Pa. Code § 92a.82(b), you are required to post near the entrance to your premises and, if the facility or discharge location is remote from these premises, at the entrance to the facility or at the discharge location. These postings shall remain for 30 days.

DEP will publish notice of the draft permit in the Pennsylvania Bulletin in the near future. You may provide written comments on the draft permit up to 30 days following publication of this notice. Following the 30-day public comment period (which may be extended by 15 days at DEP's discretion), DEP will consider any comments received and make a decision on whether to issue a final permit.

Please note the reporting requirements of the draft permit. You will be required to submit an Annual Maintenance Report (AMR) by June 30 each year and Discharge Monitoring Reports (DMRs) at a frequency identified on the DMRs. The AMR and DMR templates will be included for your use in the final permit.

If you have any questions, please contact me at 717.705.4782.

Sincerely,

Benjamin Lockwood
