Internal Review and Recommendations

***Section B:
Skippack Creek Watershed***

Skippack Township has joined the Skippack Creek Watershed Alliance (SCWA) which will address the TMDL sediment load within the Skippack Creek Watershed.

Proposed Township BMPs that address the reductions required within the Skippack Creek Watershed have been submitted under separate cover within this Consortium's application for Pollutant Reductions, as prepared and managed by AEGIS Engineering & Planning.

Public Participation

DEP will publish notice of the receipt of the NPDES permit application and a tentative decision to issue the individual NPDES permit in the *Pennsylvania Bulletin* in accordance with 25 Pa. Code § 92a.82. Upon publication in the *Pennsylvania Bulletin*, DEP will accept written comments from interested persons for a 30-day period (which may be extended for one additional 15-day period at DEP's discretion), which will be considered in making a final decision on the application. Any person may request

Internal Review and Recommendations

or petition for a public hearing with respect to the application. A public hearing may be held if DEP determines that there is significant public interest in holding a hearing. If a hearing is held, notice of the hearing will be published in the *Pennsylvania Bulletin* at least 30 days prior to the hearing and in at least one newspaper of general circulation within the geographical area of the discharge.
