Date Application Accepted	<u> August 1, 2023 </u>		
Purpose of Application	<u> Application for an individual MS4 NPDES permit for discharge of stormwater. </u>		

Internal Review and Recommendations

Per 40 CFR § 122.33, and PA Title 25 § 92a.3, Centre Township (the applicant) is required to seek coverage under an NPDES permit issued by the state of Pennsylvania. The applicant originally submitted a Notice of Intent for coverage under a PAG-13 under PAG133667. The PAG-13 General Permit was administratively extended from 3/15/2023 through 3/15/2025. New PAG-13 coverage cannot be authorized while the General Permit is administratively extended. Since an approvable Pollutant Reduction Plan was not received prior to 3/15/2023, the applicant was required to submit an application for coverage under an individual MS4 NPDES permit. Per PA Title 25 § 92a.54, the applicant is eligible for permit coverage. PAG133667 will be withdrawn upon issuance of PAI133552.

The applicant discharges to the following waters: Schuylkill River (WWF, MF), Irish Creek (WWF, MF), Plum Creek (WWF, MF).

According to the MS4 Requirements Table, the applicant is subject to the following IP appendix requirements:
Appendix C
Appendix E

To comply with Appendix E, the applicant has submitted a Pollutant Reduction Plan.

There are no unresolved violations associated with the applicant that would affect issuance of coverage.

It is recommended that individual permit coverage is granted in accordance with 40 CFR §123.35.

Internal Review and Recommendations

Public Participation

DEP will publish notice of the receipt of the NPDES permit application and a tentative decision to issue the individual NPDES permit in the *Pennsylvania Bulletin* in accordance with 25 Pa. Code § 92a.82. Upon publication in the *Pennsylvania Bulletin*, DEP will accept written comments from interested persons for a 30-day period (which may be extended for one additional 15-day period at DEP's discretion), which will be considered in making a final decision on the application. Any person may request or petition for a public hearing with respect to the application. A public hearing may be held if DEP determines that there is significant public interest in holding a hearing. If a hearing is held, notice of the hearing will be published in the *Pennsylvania Bulletin* at least 30 days prior to the hearing and in at least one newspaper of general circulation within the geographical area of the discharge.
